Return of Division of Lots in the Ring 1727

Hampton Records Volume 3 Page 191 (Internet Archive file Page 97)

This is a LOOSELY INTERPRETED TRANSCRIPTION prepared by A.W. Bialobrzewski to assist with mapping work only. No other use is intended or purpose implied.

At a legal meeting of the proprietors of the Second Division this 29th day of November 1727 according to adjournment John Wedgwood was chosen and appointed to draw for all the rights of the owners were not present to draw for themselves voted.

The Ring Swamp divided into two parts as followeth:

first a straight line from the southeast corner of the Doctor's land to a stake a little to the southward of the malthouse, the north part layed into 18 lots as followeth: the first lot beginning eastward and bounded eastward on the road and on the burying place land southward 2 rods to the southward of the parting line;

the second lot bounded northeastward on the 10 Rod Road, southward it is bounded 2 rods to the southward of the parting line, westward on the malt house quarter of an acre and a way one rod wide from the road to the malt house ground; the third lot bounded northward on the road, southward on the malt house ground in part and part on the dividing line of the Ring, east on the malt house ground and on the way to it;

The next 11 lots butting northward on the road, southward on the said parting line, numbers 4:5:6:7:8:9:10:11:12:13:14;

next the 15th lot bounded northward part on the road and part on the schoolhouse acre (the schoolhouse acre is 10 rods on the road running 16 rods southerly holding the breadth of 10 rods); the 16th lot bounded northward part on the schoolhouse land, both the 15th and the 16th bounded southward on the parting line and joined together at the south end of the school house land;

The 17th lot bounded northward on the aforesaid ten rod road, southward on the parting line, westward part on the Doctor's land;

the 18th lot bounded north and westward on the road, southward on the Doctor's land and running down 10 rods on the east side of the Doctor's land the breadth of 4 rods;

The south part of the Ring, 12 lots, the 19th lot being the westernmost lot in the south part, and is bounded north on the Doctor's land, west and south on the road; the 20th lot bounded north part on the Doctor's land and part on the (deviding?) line, southward part on the road and part on the west side of Edmund Rand's land; the 21st lot bounded northward on the parting line, southward part on Edmund Rand's land, and part from the southeast corner of Edmund Rand's stone wall, to a stake a little easterly;

The next three lots number 22:23:24 bounded northward on the parting line, southward on common ground behind the meeting house; the next 2 acres for the ram pasture butting north and south as the lots go; the next six lots number 25:26:27:28:29:30 bounded southerly on a way to be one rod wide between Peter Johnson's, Thomas Bachelder's, and Josiah Shaw's land, and the end of those six shares, the 5 first bounded northward on the parting line and the 30th share bounded northward on the south ends of the first and second lots in number (or 2 rods short or south of the parting line), this return voted.
